Undersigned subscribes the above mentioned company as a member of the Belgian association for surface treatment VOM, based on the current statutes and rules, or the changes on these matters that will be made in the near future.

Contribution 2018:

All membership fees are linked to the health index of the month December.

A membership is deemed to have been entered into for an indefinite period. It is automatically renewed at the start of a new membership year, i.e. January 1st. Each member can take his resignation from the association by registered letter to the board of directors. The membership fee does not cover the following calendar year (Article 6, statutes VOM vzw). You enjoy the benefits of membership from the moment the payment membership fee for the relevant year is received.

The yearly contribution depends on the number of employees that is directly involved in the surface treatment technology, according the following table:

Principals, subcontractors, producers:	contribution (VAT excluded)
<u>Number of employees involved in coating technology</u>	
1 - 10 employees	361,00 €
11 - 25 employees	485,00 €
more than 25 employees	577,00 €
