

**In 2024, the VOMinfo magazine will bring together information on technology, case studies, practical feedback and scientific findings, all with a view to sustainability.**

## **MAXIMISE YOUR VISIBILITY IN 2024** with **VOMinfo!**

Dear VOM members and partners in the surface treatment industry, It's time to plan your visibility for 2024! Take advantage of the opportunity to highlight your products, services and technologies in VOMinfo magazine, the essential Belgian reference for the surface treatment sector.

### **4 GOOD REASONS TO CHOOSE VOMINFO FOR YOUR ANNUAL CAMPAIGN**

1. Book your advertising space and publish your articles (free for members)
2. Reach your target audience with our 1900 printed copies and our digital version
3. Enhance your visibility with our fortnightly e-VOMinfo newsletter.
4. Work closely with the VOM team to design a campaign tailored to your objectives and budget. Take advantage of this opportunity to ensure that your company has a **high profile throughout the year**.
