Undersigned subscribes the above mentioned company as a member of the Belgian association for surface treatment VOM, based on the current statutes and rules, or the changes on these matters that will be made in the near future.

Contribution 2027

The 2027 membership fees were set at the General Assembly on 20 May 2026.
A membership is deemed to have been entered into for an indefinite period and for at least one calendar year. It is automatically renewed at the start of a new membership year, i.e. January 1st. Each member may resign from the association by sending a written notice (e-mail, letter) to the Board by 30 November of the current year at the latest. The membership fee expires the following calendar year (Article 6, statutes VOM). You enjoy the benefits of membership from the moment the payment membership fee for the relevant year is received. Members will hereby give permission to VOM to be informed about the surface treatment and to mention their information on all VOM- platforms. (cfr. The general data protection regulation, 25/05/2018)

The yearly contribution depends on the size and the activity of the company.
