

YOUNG VOM

SPONSORSHIP PACKAGES

YOUNG VOM is a learning network and a VOM initiative, bringing together entrepreneurs and young talents under 40 who are active in the surface treatment industry. Members share experiences and knowledge, creating connections between employees from different companies, learning from one another, and supporting personal career development.

Interested in a partnership? Discover our packages, indicate your preferences in the form below, and send it to our coordinator Julie Moreau (youngvom@vom.be).
